To the best of my knowledge, the questions on this form have been accurately answered. I understand that providing incorrect information can be dangerous to my (or patient's) health. It is my responsibility to inform the dental office of any changes in medical status.

FIRST APPOINTMENT

Full payment is required at the time services are rendered. We accept personal Checks, cash, or credit cards (MasterCard, Visa, American Express and Discover). All extractions are to be paid in advance of treatment.

INSURANCE WELCOME

If you carry dental insurance, we will need a copy of your insurance information. We will allow 45 days for your insurance company to pay. If there is a delay, we will work with your insurance company to resolve it for you. However, your balance will be due and we will instruct the insurance company to reimburse you. We encourage all patients to be familiar with their own insurance policy, as many limitations and exclusions may exist that we will not be able to predict prior to treatment. We do not work with any HMOs or DMIOs. You must have a PPO plan with either in or out of network benefits.

INTEREST FREE FINANCING

Financing is available through CareCredit for fees over \$300. Your dental fees can be financed for twelve months interest free. CareCredit also offers a long term plan for those who need it. Interest will apply to long terms plans. A loan application must be completed and approved before services are rendered.

Any balance past due by more than 60 days will automatically accrue a finance charge of 18% A.P.R. (1.5% per month).

CANCELLATION POLICY

Broken appointments where a 24-hour notice is not given will be charged a \$75.00 fee.

If you have any questions regarding the office policies, we encourage you to ask prior to treatment. We are always happy to assist you.

I hereby acknowledge that I have read and understand these policies
